

Tentative Schedule – Sustainable Development and Climate change: A Multidisciplinary Program in Italy

May 28 - June 29, 2018 – Venice, Italy (5 weeks)

PUBP 3320 (3 credits) and PUBP 3600 (3 credits)

Program Directors: Dr. Alice Favero, SPP and Dr. Emanuele Massetti, SPP

	days of the week	8:30-8:45	8:45-9:00	9:00-9:15	9:15-9:30	9:30-9:45	9:45-10:00	10:00-10:15	10:15-10:30	10:30-10:45	10:45-11:00	11:00-11:15	11:15-11:30	11:30-11:45	11:45-12:00	12:00-12:15	12:15-12:30	12:30-12:45	12:45-1:00	1:00-1:15	1:15-1:30	1:30-1:45	1:45-2:00	2:00-2:15	2:15-2:30	2:30-2:45	2:45-3:00	3:00-3:15	3:15-3:30	3:30-3:45	3:45-4:00	4:00-4:15	4:15-4:30	4:30-4:45	4:45-5:00		
5/27	S																																			Welcome Reception	
5/28	M	Lecture 1 - PUBP 3320							Lecture 1 - PUBP 3600																												
5/29	T	Lecture 2 - PUBP 3320							Lecture 2 - PUBP 3600																												
5/30	W	Lecture 3 - PUBP 3320							Lecture 3 - PUBP 3600							Activity 1: The use of climate models																					
5/31	T	Lecture 4 - PUBP 3320							Lecture 4 - PUBP 3600																												
6/1	F																																				
6/2	S																																				
6/3	S																																				
6/4	M	Lecture 5 - PUBP 3320							Lecture 5 - PUBP 3600							Activity 1: Discover Venice. Lessons from the past on sustainable development																					
6/5	T	Lecture 6 - PUBP 3320							Lecture 6 - PUBP 3600							Activity 2: Climate Impacts																					
6/6	W	Field Trip 1, Dolomites: Climate Impacts: a case study in the Italian Alps							Field Trip 1: The economics of ecosystems																												
6/7	T	Lecture 7 - PUBP 3320							Lecture 7 - PUBP 3600																												
6/8	F																																				
6/9	S																																				
6/10	S																																				
6/11	M	Lecture 8 - PUBP 3320							Lecture 8 - PUBP 3600																												
6/12	T	Lecture 9 - PUBP 3321							Lecture 9 - PUBP 3601																												
6/13	W	Lecture 10 - PUBP 3320							Lecture 10 - PUBP 3600																												
6/14	T	Field Trip 2, Rome: Discover Rome. Lessons from the past on sustainable development																																			
6/15	F	Activity 3, Rome: Land and Climate Change with FAO experts							Activity 2, Rome: Food and Poverty with FAO experts																												
6/16	S																																				
6/17	S																																				
6/18	M	Lecture 11 - PUBP 3319							Lecture 11 - PUBP 3600																												
6/19	T	Lecture 12 - PUBP 3320							Lecture 12 - PUBP 3600																												
6/20	W	Field Trip 3, MOSE: SD and infrastructures							Field Trip 3, MOSE: Climate change and sea level rise																												
6/21	T	Lecture 13 - PUBP 3320							Lecture 13 - PUBP 3600																												
6/22	F																																				
6/23	S																																				
6/24	S																																				
6/25	M	Lecture 14 - PUBP 3320							Lecture 14 - PUBP 3599							Activity 3: Technological options for climate mitigation																					
6/26	T	Lecture 15 - PUBP 3320							Lecture 15 - PUBP 3599							Activity 3: Sustainability Indicators																					
6/27	W	Lecture 16 - PUBP 3320							Lecture 16 - PUBP 3599																												
6/28	T	Lecture 17 - PUBP 3321							Lecture 17 - PUBP 3600																												
6/29	F	Lecture 18 - PUBP 3322							Lecture 18 - PUBP 3601							Farewell Party																					
6/30	S
